To allow her to do so the parties hereto agree that the conditions of her pretrial release may be modified as follows:

2. To allow her to travel to the Eastern District of California on January 24 and to take an examination for a professional license.

1 3. To allow her to move to the Southern District of California on or about  
2 February 1, 2007, to reside at an address to be provided to and approved by her  
3 Pretrial Services Officer.

4 This stipulation is conditioned on the understanding that upon moving to Los  
5 Angeles, defendant shall report to the Pretrial Services Officer for that district as  
6 directed by her current Pretrial Services Officer, and that defendant shall return to  
7 San Francisco to attend all of her court appearances and see to other obligations  
8 arising from this case.

9 Michelle Nero, defendant's defendant's Pretrial Services Officer, has been  
10 advised of this stipulation and concurs with its terms.
